Parental Reflections

How would you describe your child strengths?

How would you describe your child's challenges?

Please share with us how your family spends time together.

Please briefly explain how you learned about The Children's House and how you feel your child will benefit from a Montessori preschool experience .

Parents contribute to the school through volunteering opportunities, (building repairs, grounds maintenance, lunch parents, etc.) and fundraising efforts, where do you see your talents applied?

The admissions process

The Children's House is a three year Montessori pre-school program. Our admissions process is based on a first come first serve basis with a priority given to siblings and alumni parents. In addition, we do our best to balance the numbers of girls and boys in each age group when possible.

After your application is received, you will be contacted to set up an appointment to visit the school and interview with the Head of School. During your visit to the school, you will have the opportunity to have conversations with staff members and observe the children attending that day. During your interview, you will also have the opportunity to ask any questions you may have regarding our program or the Montessori philosophy.

Please mail your application and a \$50.00 non-refundable application fee to the address below.
